

Print full-size floor targets

All four Heroes and the Guardian | US Letter | Single-sided

Print one color edition or one black-and-white edition. Choose only the creatures playing, or print all 29 target sheets for the complete set.

TARGET	PDF PAGES	PRINT
Guardian	3-10	8 sheets
Pippa Quickstep	11-15	5 sheets
Orin Sunforge	16-20	5 sheets
Virnoc Flintmorrow	21-26	6 sheets
Mara Brightshield	27-31	5 sheets

1. Print at actual size

Use 100% / Actual Size. Turn off Fit, Shrink and borderless enlargement. Print single-sided, not duplex. All sheets use US Letter paper.

2. Let the paper rotate

The Guardian has six portrait sheets and two landscape sheets. Virnoc has four portrait sheets and two landscape sheets. Allow automatic portrait/landscape rotation without scaling. Keep every tile at its printed size.

3. Check before cutting

Measure the test square, then check one target. Do not shrink targets to card size. These targets stay on the floor; poker cards are references, not substitutes for the target footprint.

Print and privately adapt these free materials for home play, noncommercial groups, and permitted classroom/library activities.
 Full terms: AnySpaceQuest.com/free-materials-license

Test square: 1 inch on each side.
 If it is not exact, correct print scaling before printing the target sheets.

Assemble, then play

Keep the target flat, stable and clear of people.

FIVE-SHEET TARGET

Pippa, Orin and Mara

SIX-SHEET TARGET

Virnoc

EIGHT-SHEET TARGET

Guardian

Diagram numbers match the labels on each target sheet, not PDF page numbers. These diagrams show arrangement only.

Trim and join

Trim the thin dashed page-edge rectangles. Match edge letters or marks and the artwork. Butt trimmed edges together with no gaps or overlap, then tape behind. Keep the full assembled target together when moving it.

Read the toss

A soft piece resting in or touching a marked target region is a HIT. Outside every marked region is a MISS. All marked regions, including center regions, are ordinary HIT areas. The center gives no extra effect.

Play safely

Blank paper and artwork outside marked regions do not count. Dashed trim lines are not HIT boundaries. Use soft rolled socks or loose paper balls. Never throw at people, animals or fragile objects. Clear the throwing path and pause before retrieving pieces.
